

**SOUTH WALTON BEACHES
WINE & FOOD FESTIVAL**

South Walton Beaches Wine & Food Festival, April 27-30, 2023

Supporting Destin Charity Wine Auction Foundation, benefiting 17 charities in Northwest Florida

Each year on the last weekend in April, the South Walton Beaches Wine & Food Festival brings together winemakers, chefs, distillers, brewers and local restaurants for a weekend of wine tastings, education and entertainment. The Grand Boulevard Town Center hosts this award-winning charity event which pours more than 600 wines, giving attendees the opportunity to taste, learn about and purchase regional, national and international vintages.

To complement the wines, the Savor South Walton Culinary Village offers small bites from the best restaurants in South Walton. Items are prepared to pair well with the wines that are poured. Additional food pavilions are located throughout the festival. A unique aspect of the festival is its Tasting Seminar Tent. Seminars presented by winemakers, distillers, chefs and well-known personalities are both educational and enjoyable and provide insights into processes, flavor profiles and more. The festival begins on Thursday with a Winemakers & Shakers event held at Wine World in Destin. Friday's activities include a VIP Wine Tasting followed by the Craft Beer & Spirits Jam. The main events occur at the Saturday and Sunday Grant Tastings.
